

REMARKS

The Examiner's continued attention to the present application is noted with appreciation. Applicant gratefully acknowledges the allowance of claims 11-13, 20 and 27-30, and the allowability of claims 2 and 21-25 if rewritten in independent form.

The Examiner rejected claims 1, 10, and 26 under 35 U.S.C. 102(e) as being anticipated by Brockmann et al. Such rejection is respectfully traversed, particularly as to the claims as amended. In paragraph 5 of the Final Office Action, the Examiner stated that the language in claim 11, "no more than one orifice", is allowable, but the language in claim 1, "a single orifice", is not. Claim 1 has been amended to recite the allowable language of claim 11.

Applicant therefore submits that the application is now in condition for allowance, and such is respectfully requested before the statutory deadline of June 14, 2006. This response is being filed within two months of the mailing date of the Final Office Action; Applicant therefore respectfully requests that a Notice of Allowance be issued in an expedited manner.

Authorization is given to charge payment of the appropriate fee, any additional fees required, or credit any overpayment, to Deposit Acct. 13-4213.

Respectfully submitted,

PEACOCK MYERS, P.C.
